

ORDER AHEAD

We love taking pre-orders for breads and sweets! Just click on What's Baking Today to see our current baking schedule. Give us a call by bpm the day before and we will have your breads and sweets ready for you!

Whether it's a huge box of sweets or just one loaf you want us to hold for you, calling ahead is the best way to ensure you get all your favorites!

Sweets and cake breads are out of the oven and ready by 7am every day. Hot breads will be ready daily at noon. We make over 28 different breads each week, so check out our bread schedule to see which day we are making your favorites!
