### SUMMER 2017 BREADS

## Handcrafted Gourmet Buns

Want to be known for your great buns without squats or lunges? Our handcrafted gourmet hamburger buns will up your grilling game and bring your burgers to a whole new level.

For a real flavor explosion, try our Garlic Potato Chive or Cheddar Garlic Buns! Throw the Cheddar Garlic Buns on the grill for a few minutes before the meat is ready, and just watch as the cheese starts to melt inside! Best buns in town, baby!

Summer also means the return of our Red, White, and Blueberry Bread. Both patriotic and delicious, it's fantastic as a snack and truly decadent as the best French Toast ever!
